Sun 21st (Easter Sunday) Easter Steam Up. Come along and give your locos and traction engines a Spring outing.

**** Further items will be added when arranged so watch this space and the website. Remember that I am always on the lookout for members to give talks and I am sure that there are some of you that have very interesting lives, hobbies or experiences that would make good subjects for a talk. Please speak to me (Philip) if you would be willing to participate. (It does not have to be on model engineering). ****
